

THE HEPBURN HOWLER

October 2022

Message from Town Council

Greetings from our Mayor and Council as we enter into this Fall season. The change to Fall colours reminds us that kids have returned to school, so please drive carefully and observe reduced speed limits and parking restrictions in our school zones. Here are some important dates to highlight in October. The Annual Fall clean up day is on October 15th. The bins will again be located at the arena and posters with details for times and items accepted will be up around town. October 29th is the date for the Fall Gala at Heritage Common. Tickets are \$60.00 each, or a table of 8 is \$400.00. Enjoy a great meal along with entertainment and a silent auction while supporting the fundraising efforts for Heritage Common.

Looking for Christmas gift ideas? How about purchasing a "Cash of the Month" ticket for friends and family this holiday season? Each \$50.00 ticket gives you 12 chances to win \$1000.00. Draws take place on the last day of the month. If you win, your ticket goes back in the draw for a chance to win again! The first draw took place on September 30th. This is another fundraiser to support Heritage Common. Tickets for the gala and Cash of the month are available at the Town Office and Heritage Common.

Finally on behalf of Town Council, Town staff, and the residents of Hepburn let us say a big THANK YOU to Mayor Chris Becker and Jennifer Beaumont-Becker for everything you have done for our community over the years. We wish the two of you all the best in the next phase of your lives. You will be missed.

- Councillor Neal Mihalicz

Compost

Compost pick up is every 2nd week in the summer months and once every 4 weeks in the winter months. October is the last month with two compost pick up days. October 6th and 20th are compost pick up days. November 17th is the only compost pick up day in November. For the full Loraas pick up calendar check out: https://hepburn.ca/mrws/filedriver/Hepburn_2022_Waste_Recycle_Organics_Collection_Calendar_UPDATED.pdf

Residential Cleanup Day

Fall cleanup day will be held on October 15 at the Arena compound from 7:30 am-3 pm, or until bins are full. Limited to residential waste only, and **one truck/trailer load per household.**

Trees at the Parks

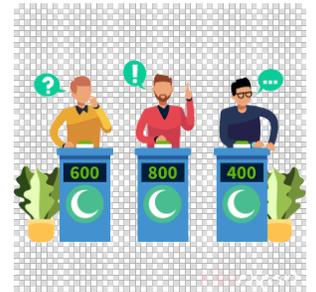

New Trees have been planted at Little Park and the New Park in Whisper Ridge. It is our hope that these trees will grow to provide beautiful shade for our children on those hot summer days. Please encourage your kids not to play with the trees to help the trees grow by not playing with them.
