

The Hepburn Howler

April 2024

Greetings to the Residents

As we embark on this new chapter of the year, may we embrace the spirit of unity and cooperation that defines our town. Let us sow the seeds of kindness and compassion, nurturing them to bloom into acts of generosity and support for one another. With each sunrise, may you find renewed hope and inspiration, and with each sunset, may you reflect on the blessings that grace our lives. Together, let us make April a month of joy, gratitude, and community spirit. Wishing you all a wonderful April filled with laughter, love, and moments to cherish.

Election – November 13, 2024

Do you have an interest in municipal politics? Have you thought about running for municipal council?

We would like to inform you about the upcoming General Election scheduled for November 13, 2024. As responsible citizens, it's crucial for us to exercise our right to vote and participate in the democratic process. This election presents an opportunity for us to voice our opinions and contribute to shaping the future of our community.

Hepburn Childcare Hub Call for Board Members

The Hepburn Childcare Hub is calling for nominations for Board Members. The volunteer board is responsible for the governance and oversight of the non-profit childcare centre and the afterschool program. The opening day of the centre has been a long time coming and has required countless hours of work by the current board. It is for this reason that some of the board members are needing to step away in the near future. Therefore, the Hub is looking for new board members that will help bring fresh new energy and ideas to the table!

Please consider joining the Hub Board to ensure that the hub is successful well into the future!

Please contact the board at hepburnchildcarehubboard@outlook.com

Sewer Problems?

If you experience a sewer blockage please call the town office or the emergency on call phone before taking any action. Section 31 of the Utility Management

Bylaw states: *The Town expects that the owner will immediately contact Town Administration or Public Works staff prior to any work being undertaken. If no contact is made with the Town prior to the contractor commencing work, the Town will not take on the responsibility for any of the billing relative to repair work that is done. Any contractor hired to do work in the Town will need to be vetted by the Town prior to commencing work or the Town will not take responsibility for any of the billing.*
