

Emergency Contact Information Request

The Town of Hepburn is looking to update current contact information for emergency situations. We would like to collect a minimum of two methods of contact for each resident for **emergencies**. Part of our Emergency plan is to ensure we can contact residents as quickly as possible in the event of an emergency.

All information provided will be kept confidential and will only be used in the event of an emergency.

Submit

Please fill out this form and return to the Town Office or email to info@hepburn.ca
