

THE HEPBURN HOWLER

June 2023

Message from Town Council

June is a great month here in our fair town! With the warmer weather, it's great to see so many folks out & about, to hear the sounds of soccer in the evening, and see kids out on their bikes... a true gift! With all that goodness however, Town Council wishes to remind us all to exercise caution on the roadways – pedestrians, please watch for vehicles. Parents, please discuss road safety with your bike riders. Drivers, please slow down and exercise caution. It takes every one of us doing our part to keep each other safe

As we head into June, we are thankful to the Parks & Rec committee who are busily planning Fair Days. There will be many volunteer opportunities, so please watch for notices about how to be involved. As always, if you are curious about what exactly happens at a town council meeting, we welcome you to consider joining us – meetings occur on the 3rd Wednesday of every month, starting at 6:30 pm in the council chamber at Heritage Common.

Councillor Erica Baerwald

Safety is Our priority

Summer is here and we are so excited! Along with the sun and rain comes growing grass, and our town staff are out mowing. Parents please talk to your children about staying a safe distance from town machinery. We think it is great that our little people are curious and interested in the world around them, however, we do not want anyone getting hurt by the mowers, or something the mowers may throw such as a rock.

Organics Pickup

Loraas Disposal is picking up the organic waste every other week for the summer months. The by weekly schedule started on May 4th. Loraas picks up organics later in the day, generally they are coming between 12pm and 2pm. Residents are encouraged to put their bins out in the morning to avoid missing the pick up.

Town Garage Sales and Curbside Free Day

Town garage sale and curbside swap day is Saturday June 3rd from 9am to 3:30pm.

Sewer Problems?

If you experience a sewer blockage please call the town office or the emergency on call phone before taking any action. Section 31 of the Utility Management Bylaw states: *The Town expects that the owner will immediately contact Town Administration or Public Works staff prior to any work being undertaken. If no contact is made with the Town prior to the contractor commencing work, the Town will not take on the responsibility for any of the billing relative to repair work that is done. Any contractor hired to do work in the Town will need to be vetted by the Town prior to commencing work or the Town will not take responsibility for any of the billing.*
